

*Start your kitten off with a Kitten Plan so their initial care is complete and affordable*

**Preventive Care Plan members get:**

- 10% discount on items not covered within the plans *with exception to nutraceuticals and preventive parasitic inventory items.*
- Affordable payments spread out over 12 months to avoid the spending peaks from clinic visits.
- A convenient, automatic payment plan through Paymentbanc
- The reassurance of partnering with someone you know and trust...Just Cats Veterinary Clinic
- The peace of mind of knowing that your pet's long-term health is being monitored.

**Why are we offering Preventive Care Plans?**

To reduce large unexpected client cost through early disease diagnosis and treatment.

Regular visits to your veterinarian are crucial for monitoring your cat's health. It's how your cat gets necessary vaccinations, screenings and treatments. And it's how your veterinarian can identify potential problems before they become serious, and expensive. Preventive care can help your pet live a happier, healthier life.

**Payment Options:**

- Visa, Master Card & Discover
- Cash and checks
- PaymentBanc up to twelve months
- Pay first month & Annual Fee at time of purchase
